“

I am studying to become a graphic designer through the NMA program in KCC. I usually enjoy making it through Illustrator or Photoshop. I am currently looking for an opportunity to intern to learn my design skills and to gain real world experience.

EXPERIENCE

Discovery

(Sales Associate in Korea)

Provided exceptional customer service by greeting and assisting customers, answering product questions, and resolving inquiries, resulting customer satisfaction rating. Consistently exceeded monthly sales targets, driving revenue growth for the company. Assisted in visual merchandising efforts, including setting up displays and ensuring products were well-stocked and attractively presented.
